

Calling All Volunteers!

The 2010 Thai Complete Count Committee needs your help!

On March 12, 2010 Counsel General Damrong will be officially kicking off the Thai Complete Count Committee's 2010 Census outreach efforts. As Census forms will be mailed out to households March 15-17th, the Thai CCC would like to emphasize the importance of the 2010 Census for the Thai community and utmost confidentiality that will be upheld by the Census Bureau.

We will be hosting canvassing events that will be held every weekend up until April 28th, 2010. We are in dire need of volunteers to assist in heavily flooding Thai populated areas with 2010 Census outreach materials and information. In addition, we will need the support of the community to be receptive of the Thai CCC volunteers. We ask business owners to let us to put up posters and allow Thai CCC members to share important information your staff about the Census. We are calling on the help of all Thai businesses, organizations, Thai Student Associations, and most importantly individuals to help in any and every way possible.
